

Cumulative Index 1977-1979

Note: Page numbers of symposium and article titles are in **boldface type**.

- ABDOMEN**, tumors of, neonatal, 1978
 March, 126-132
 wall of, congenital defects, 1978:: March,
61-77
- Abortion**, spontaneous, after amniocentesis,
 1979: Sept., 250
 counseling parents after, 1979: Sept.,
 227, 235
 incidence of, 1979: Sept., 219-221,
 238-240
 maternal cigarette smoking and, 1979:
 Sept., 238
- Acid-base balance**, perinatal asphyxia and,
 1978: Sept., 325
- Aganglionosis**, neonatal, 1978: March, 55
- Alcohol**, effect on labor, 1979: March, 15
 in inhibition of premature labor, 1979:
 March, 56
 maternal consumption of, effect on fetus,
 1979: March, 12-14, 168: 1979: Sept.,
 208
- Alexander's disease**, 1977: March, 26
- Alpha-fetoprotein**, in prenatal diagnosis,
 1979: Sept., 251
- Ambiguous genitalia**, neonatal, 1978:
 March, 163-176
- Amino acid metabolism**, disorders of, pre-
 natal diagnosis of, 1979: Sept., 260
- Aminophylline**, fetal lung maturation and,
 1979: Sept., 383-385
- Amniocentesis**, erythroblastosis fetalis and,
 1979: Sept., 323-324
 in detection of intestinal atresia, 1979:
 March, 9-10
 problems with, 1979: Sept., 248-250
 spontaneous abortion after, 1979: Sept.,
 250
- Amniotic fibroblasts**, fetal, in prenatal
 diagnosis, 1979: Sept., 285-289
- Amniotic fluid**, analysis of, fetal lung
 maturity and, 1978: Sept., 233-240
 in prenatal diagnosis, 1979: Sept.,
 264-265
- Amniotic fluid cells**, cultured, in prenatal
 diagnosis of inborn errors of metabolism,
 1979: Sept., 256-263
- Amphetamines**, teratogenicity of, 1979:
 Sept., 412
- Anemia**, in premature infants, 1977: Sept.,
 239-257
 sickle cell, prenatal diagnosis of, 1979:
 Sept., 276, 281
- Anencephaly**, 1977: March 5: 1979: Sept.,
 250
 prenatal diagnosis of, 1979: Sept., 299
- Anesthesia**, abortion and, 1979: Sept., 239
- Anticonvulsants**, fetal anomalies and, 1979:
 March, 11-12
 for neonatal seizures, 1977: March, 59-60
 teratogenicity of, 1979: Sept., 410
- Antidiuretic hormone**, inappropriate secre-
 tion of, syndrome of, 1979: March, 76-
 79
 renal function and, 1977: Sept., 330-332
- Anus**, imperforate, neonatal, 1978: March,
149-161
- Apnea**, neonatal, 1977: March, **65-76**
 methylxanthines in, evidence for efficacy
 of, 1979: March, 87-90
- Apt test**, in differentiation of maternal from
 fetal blood, 1977: Sept., 295
- Arginine vasopressin**, pharmacokinetics of,
 1979: March, **65-85**
- Arginine vasotocin**, pharmacokinetics of,
 1979: March, **65-85**
- Arnold-Chiari malformation**, 1977: March, 6
- Ascites**, fetal, 1979: Sept., 296
- Asphyxia**, intrauterine, effects on full-term
 neonate, 1977: March, **149-161**
 perinatal, 1978: Sept., **317-334**
 neonatal seizures and, 1977: March,
 50-51
- BACTERIAL meningitis**, neonatal, 1977:
 March, **103-116**

- Barium enema, in neonatal intestinal obstruction, 1978: March, 11-12, 52-53
- Behavior, infant, development and, 1977: March, 195-197
- Beckwith's syndrome, omphalocele and, 1978: March, 63
- Benzodiazepines, teratogenicity of, 1979: Sept., 408
- Beta adrenergic agonists, in inhibition of premature labor, 1979: March, 56-57
- Biliary atresia, 1978: March, 19-28
- Bilirubin, metabolism of, neonatal, 1977: Sept., 306-310
- Bilirubin encephalopathy, neonatal, 1977: March, 140-145
- Birth weight, effect of maternal smoking on, 1979: March, 8-9, 167-168; 1979: Sept., 26-27
- low, nutrition after, 1977: Sept., 367-376, 377-383
- symposium on, 1977: Sept., 213-430
- very low, fluid and electrolyte balance in, 1979: March, 139-150
- Bisolvon, effect on fetal lung development, 1978: Sept., 250
- Bleeding. *See Hemorrhage.*
- Blood, disorders, prenatal diagnosis of, 1979: Sept., 266, 275-291
- fetal, sampling, 1979: Sept., 279-285
- Bochdalek's hernia, respiratory distress and, 1978: Sept., 388-391
- Bone, neonatal calcium homeostasis and, 1977: Sept., 394-400
- Bradycardia, in prolonged apneic spells, 1977: March, 66
- Brain, damage to, intrauterine asphyxia and, 1977: March, 149-161
- normal and abnormal development of, 1977: March, 3-30
- Breast, tumors of, neonatal, 1978: March, 132
- Breast milk, drugs and pollutants in, 1979: March, 181-196
- for low birth weight infants, 1977: Sept., 381-382
- iron supplementation and, 1977: Sept., 249-250
- neonatal resistance to necrotizing enterocolitis and, 1978: March, 31-32
- Breathing, fetal, 1978: Sept., 257-268
- Breech presentation, prematurity and, cesarean section for, 1977: Sept., 225-227
- Bronchogenic cysts, respiratory distress and, 1978: Sept., 379-380
- Bronchopulmonary dysplasia, oxygen therapy and, 1978: Sept., 442-447
- respiratory distress syndrome and, 1978: Sept., 292
- Bronze baby syndrome, phototherapy and, 1977: Sept., 312
- CAFFEINE, effect on onset of labor, 1979: March, 46
- intrauterine growth and, 1979: March, 46
- Caffeine (*Continued*)
- pharmacokinetics of, and dose recommendations in neonatal apnea, 1979: March, 88-95
- and effect on fetus, 1979: March, 37-42
- Calcium, in treatment of neonatal seizures, 1977: March, 60
- metabolism of, perinatal disturbances of, 1977: Sept., 385-409
- Calories, requirements in premature newborns, 1975: March, 192; 1977: Sept., 377
- Canavan's disease, 1977: March, 26
- Carbohydrate metabolism, fetal, 1979: Sept., 366-369
- inborn errors of, prenatal diagnosis of, 1979: Sept., 259
- Carbohydrate requirements in tiny babies, 1977: Sept., 378
- Cardiac slowing, apneic spells and, 1977: March, 66-67
- Cardiovascular defects, congenital, timing of development, 1979: Sept., 213
- Catecholamines, effects on lung development, 1978: Sept., 249
- premature labor and, 1979: March, 54
- Catheter, umbilical, recommendations for use, 1977: Sept., 281-282
- Catheterization, hematologic complications in newborns, 1977: Sept., 279-282
- Cell migration, brain development and, 1977: March, 12-20
- Central nervous system, defects of, prenatal diagnosis of, 1979: Sept., 250-253
- effect of perinatal asphyxia on, 1978: Sept., 328-331
- intrauterine asphyxia and, 1977: March, 149-161
- Cerebral palsy, abnormal parturition and, 1977: March, 149
- Cerebrospinal fluid, interpretation of, in intracranial hemorrhage, 1977: March, 77-78
- Cerebrum, normal and abnormal development of, 1977: March, 3-30
- status of, in newborn, 1977: March, 31-42
- Cesarean section, in premature breech presentation, 1977: Sept., 225-227
- low vertical, reintroduction of, 1977: Sept., 230-232
- Chloramphenicol, in newborns, 1979: March, 151-162
- Chlordiazepoxide, teratogenicity of, 1979: Sept., 408
- Choanal atresia, respiratory distress and, 1978: Sept., 377-378
- Cholestasis, parenchymal, biliary atresia and, 1978: March, 20-21
- "Christmas tree" anomaly in newborns, 1978: March, 5-6
- Chromosomal abnormalities, during gametogenesis, 1979: Sept., 205
- in first trimester abortuses, 1979: Sept., 222, 228
- prenatal diagnosis of, 1979: Sept., 245-254
- Cigarette smoking, abortion and, 1979: Sept., 238

- Cigarette smoking (*Continued*)
 effect on fetal lung development, 1978: Sept., 221
- Clomiphene citrate, teratogenicity of, 1979: Sept., 409-410
- Coffee, caffeine content of, effect on fetus, 1979: March, 38-42
- Colon, atresia of, neonatal, 1978: March, 6
- Colostomy, in neonatal anorectal malformations, 1978: March, 157-159
- Conditioning, classical, in infants, 1977: March, 172-175
- operant, in infants, 1977: March, 175-178
- Congenital diaphragmatic hernia, 1978: March, 93-104; Sept., 388-391
- Congenital lobar emphysema, 1978: March, 105-113; Sept., 380-383
- Congenital malformations, in early abortuses, 1979: Sept., 225-227
- paternal role in, 1979: Sept., 205-206
- Constipation, in Hirschsprung's disease, 1978: March, 49-50
- Cord prolapse, premature rupture of membranes and, 1977: Sept., 224
- Corticosteroids, fetal, premature labor and, 1979: March, 54
- fetal lung maturation and, 1978: Sept., 216-218, 243-250, 251-252; 1979: Sept., 380-383
- Cranial anomalies, prenatal diagnosis of, 1979: Sept., 298
- Cranial nerves, examination of, in newborn, 1977: March, 34-36
- Craniofacial abnormalities, timing of development, 1979: Sept., 212
- Craniorachischisis totalis, 1977: March, 4
- Crib death. See *Sudden infant death syndrome*.
- Cysts, lung, respiratory distress and, 1978: Sept., 379-380
- Cytomegalovirus infection, congenital, 1979: Sept., 341-345
- in newborn and fetus, 1977: March, 120-123
- DELIVERY** room, special concerns in low birth weight infants, 1977: Sept., 232-233
- Dermoid cysts, neonatal, 1978: March, 119
- Diabetes, maternal, fetal lung maturation and, 1979: Sept., 388-390
- Diabetes insipidus, cranial, in newborn, 1979: March, 73-75
- nephrogenic, in newborn, 1979: March, 75
- Diagnostic techniques, prenatal. See under specific techniques and disorders.
- Diaphragm, eventration of, respiratory distress and, 1978: Sept., 391-393
- Diaphragmatic hernia, fetal, ultrasonic diagnosis of, 1979: Sept., 306
- neonatal, 1978: March, 93-104
- respiratory distress and, 1978: Sept., 388-391
- Diazepam (Valium), neonatal seizures and, 1977: March, 59
- teratogenicity of, 1979: Sept., 408
- Diphenylhydantoin (Dilantin), neonatal seizures and, 1977: March, 59-60
- Disseminated intravascular coagulation, neonatal, 1977: Sept., 269-278
- Diuretics, effect on premature infant, 1977: Sept., 342-344
- Drug(s). See also specific drugs.
- anticonvulsant, in neonatal seizures, 1977: March, 59-60
- effect on fetus, labor and delivery, and newborn, symposium on, 1979: March, 1-196
- effect on intrauterine growth, 1979: March, 5-19
- Drug(s), embryonic and fetal toxicity of, 1979: Sept., 201-218
- excretion and concentration in breast milk, 1979: March, 190-192
- in inhibition of premature labor, 1979: March, 53-63
- in treatment of increased intracranial pressure, 1979: March, 133-135
- in water retention and water excretion, 1979: March, 78
- maternal addiction to, effect on infant, 1979: March, 168-172
- paternal exposure to, perinatal outcome and, 1979: March, 21-36
- Drugs, perinatal, transcutaneous oxygen measurement in evaluation of effects, 1979: March, 109-121
- pollutants and, in breast milk, 1979: March, 181-196
- teratogenic, 1979: Sept., 403-414
- withdrawal from, neonatal seizures and, 1977: March, 55
- Ductus arteriosus, patent, in preterm infants, 1978: Sept., 411-436
- necrotizing enterocolitis and, 1978: March, 33
- Duchenne muscular dystrophy, prenatal diagnosis of, 1979: Sept., 268
- Duhamel operation, in Hirschsprung's disease, 1978: March, 56-57
- Duodenojejunostomy, neonatal, 1978: March, 14-15
- Duodenum, atresia of, in newborns, 1978: March, 3-4
- Dwarf, thanatophoric, 1979: Sept., 238
- EMBRYO**, loss of, 1979: Sept., 219-243
- teratogenic agents, 1979: Sept., 203-204, 207-208
- Emotional stress, abortion and, 1979: Sept., 239
- prenatal malformations and, 1979: Sept., 210
- Encephalocele, prenatal diagnosis of, 1979: Sept., 309
- Emphysema, congenital lobar, 1978: March, 105-113
- respiratory distress and, 1978: Sept., 380-383
- pulmonary interstitial, 1978: Sept., 351-375

- Encephalocele, 1977: March, 6-7; 1978: March, 122; 1979: Sept., 250
- Encephalopathy, hypoxic-ischemic, neonatal seizures and, 1977: March, 50-51
- Enterocolitis, in Hirschsprung's disease, 1978: March, 50-55
- Enterostomy, in congenital abnormal wall defect, 1978: March, 74
- Erythroblastosis fetalis, 1979: Sept., 321-330
- Erythropoiesis, regulation of, in newborn, 1977: Sept., 240-246
- Esophagus, atresia, respiratory distress and, 1978: Sept., 383-388
- cysts and duplication of, 1978: March, 125-126
- Estrogen, fetal lung maturation and, 1979: Sept., 386-388
- progesterone and, in premature labor, 1979: March, 53-54
- Ethanol, in suppression of premature labor, 1977: Sept., 220-221
- intrauterine growth retardation and, 1979: March, 12-14
- Ethics, in severe neonatal neurologic disease, 1977: March, 201-209
- Exchange transfusion, in hyperbilirubinemia, 1977: Sept., 314-315
- in respiratory distress syndrome, 1977: Sept., 289-290
- FABRY disease, prenatal diagnosis, 1979: Sept., 247
- Faciotelencephalic malformations, 1977: March, 8
- Fat, requirements in tiny babies, 1977: Sept., 379
- Fat metabolism, fetal, 1979: Sept., 370-371
- Father, drug exposure of, effect on perinatal outcome, 1979: March, 21-36
- Fetal alcohol syndrome, 1979: March, 12-14
- Fetal ascites, 1979: Sept., 296
- Fetal blood sampling, 1979: Sept., 279-285
- Fetal therapy, 1979: Sept., 269
- Fetal tissue sampling, 1979: Sept., 265
- Fetoscopy, 1979: Sept., 265
- in diagnosis of fetal structural abnormalities, 1979: Sept., 293-294
- Fetus, breathing movements of, onset of breathing at birth and, 1978: Sept., 257-268
- diseases of, symposium on, 1979: Sept., 201-414
- early loss of, 1979: Sept., 219-243
- effect of methylxanthines on, 1979: March, 37-51
- growth of, effect of drugs on, 1979: March, 5-19
- growth retarded, 1979: Sept., 353-363
- intrauterine transfusion, 1979: Sept., 324-326
- lung development, anatomy of, 1978: Sept., 181-196
- biochemistry of, 1978: Sept., 197-229
- Fetus, lung development (*Continued*)
- effect of corticosteroids and other agents, 1978: Sept., 216-222, 243-256
- pharmacologic control of, 1978: Sept., 243-256
- lung maturation, antenatal assessment, 1978: Sept., 231-242
- effect of methylxanthines on, 1979: March, 47-48
- metabolic requirements of, 1979: Sept., 365-376
- structural abnormalities of, diagnosis of, 1979: Sept., 293-320
- toxic reactions, critical periods of, 1979: Sept., 203-218
- Fluid and electrolyte balance, in very low birth weight infants, 1979: March, 139-150
- Folic acid deficiency in premature infants, 1977: Sept., 253-254
- GAMETOGENESIS, effects of toxic agents during, 1979: Sept., 205
- Gastric perforations, spontaneous, 1978: March, 83-91
- Gastrointestinal tract, atresia of, in newborn, 1978: March, 3-18
- cystic duplications of, in newborn, 1978: March, 132
- obstruction of, Hirschsprung's disease and, 1978: March, 45-60
- imperforate anus and, 1978: March, 152-157
- prenatal abnormalities of, timing of development, 1979: Sept., 213
- ultrasound in diagnosis, 1979: Sept., 305-309
- resection of, in abdominal wall defect, 1978: March, 66-68
- spontaneous perforations of, in newborn, 1978: March, 83-91
- Gastroschisis, omphalocele and, 1978: March, 61-77
- Genetic disorders, prenatal diagnosis of, 1979: Sept., 245-254
- Genitalia, ambiguous, neonatal, 1978: March, 163-176
- Globulins, role in neonatal necrotizing enterocolitis, 1978: March, 34
- Glomerular function in premature infants, 1977: Sept., 323-325
- Glucocorticoids, effect on fetal lung development, 1978: Sept., 216-218, 243-250, 251-252
- Glucose homeostasis, in very low birth weight infants, 1977: Sept., 351-365
- Gray baby syndrome, chloramphenicol and, 1979: March, 151-162
- Growth and development, fetal, effect of drugs on, 1979: March, 5-19
- metabolic requirements for, 1979: Sept., 365-376
- Growth retardation, embryonic, 1979: Sept., 226
- intrauterine, 1979: Sept., 353-363

- HABITUATION, in early infancy, 1977: March, 170-172
- Head, measuring circumference of, in newborns, 1977: March, 33
- neurologic examination of, in newborns, 1977: March, 32-33
- position and compression of, increased intracranial pressure and, 1979: March, 130-131
- Head's paradoxical reflex, onset of breathing and, 1978: Sept., 260-262
- Hearing, neonatal sense of, 1977: March, 165-166
- Heart, anomalies, prenatal diagnosis of, 1979: Sept., 304
- Hemangiomas, neonatal, 1978: March, 115-118, 127
- Hematomas, subcapsular, neonatal, 1978: March, 127
- Hematuria, etiologic classification in infants and children, 1977: Sept., 335
- Hemoglobin, values in premature infants, 1977: Sept., 240-246
- Hemoglobinopathies, prenatal diagnosis of, 1979: Sept., 275-291
- Hemorrhage, diagnostic approach to, in newborns, 1977: Sept., 295
- intracerebral-intraventricular, assisted ventilation in, 1978: Sept., 395-409
- intracranial, in newborns, 1977: March, 77-102
- seizures and, 1977: March, 51-52
- mechanical trauma and, 1977: Sept., 294-295
- Hemostasis, in premature infants, 1977: Sept., 259-304
- Heparin, in disseminated intravascular coagulation, 1977: Sept., 274-278
- Hepatitis, neonatal, biliary atresia and, 1978: March, 20-21
- Hepatoblastoma, neonatal, 1978: March, 128
- Hepatomas, neonatal, 1978: March, 128
- Hermaphroditism, true, 1978: March, 170-171
- Hernia, diaphragmatic, congenital, 1978: March, 93-104
- respiratory distress and, 1978: Sept., 388-391
- fetal, ultrasonic diagnosis of, 1979: Sept., 306
- hydrocele and, neonatal, 1978: March, 135-141
- incarcerated, neonatal, 1978: March, 123
- inguinal, neonatal, 1978: March, 122
- ventral, neonatal, 1978: March, 66
- Herpes simplex infection, congenital, 1977: March, 118-120; 1979: Sept., 333-337
- Herpesvirus infections, congenital, 1979: Sept., 331-346
- Heterotopia, neuronal, 1977: March, 19-20
- Hirschsprung's disease, 1978: March, 45-60
- Holoprosencephalies, 1977: March, 8
- Hormones, exogenous, in pregnancy, 1979: Sept., 407-408
- fetal growth retardation and, 1979: Sept., 358
- Hormones (*Continued*)
- in amniotic fluid, prenatal diagnosis and, 1979: Sept., 265
- in regulation of fetal lung maturation, 1979: Sept., 377-395
- posterior pituitary, developmental pharmacokinetics of, 1979: March, 65-85
- Hunter syndrome, prenatal diagnosis, 1979: Sept., 247
- Hyaline membrane disease, current therapy in, 1978: Sept., 299-316
- asphyxia and, 1978: Sept., 323-324
- Hydramnios, meconium peritonitis and, 1978: March, 80-81
- Hydroceles, hernias and, in newborn, 1978: March, 135-141
- Hydrocephalus, in intraventricular hemorrhage, 1977: March, 90-92
- Hydrocephalus, neonatal, treatment of, 1979: March, 133-134
- prenatal diagnosis of, 1979: Sept., 298, 301
- Hydrocolpos, neonatal, 1978: March, 132
- Hydronephrosis, neonatal, 1978: March, 128
- Hyperbilirubinemia, neonatal, 1976: March, 186-201; 1977: March, 140-145
- unconjugated, in very low birth weight infants, 1977: Sept., 305-320
- Hypercoagulability, respiratory distress syndrome and, 1977: Sept., 288-289
- Hyperglycemia, in tiny babies, 1977: Sept., 351-365
- Hypertension, iatrogenic, neonatal, 1977: Sept., 340
- Hypocalcemia, neonatal, 1977: March, 136-140
- bone demineralization and, 1977: Sept., 385-409
- seizures and, 1977: March, 53-54, 60
- Hypoglycemia, in tiny babies, 1977: Sept., 351-365
- neonatal, 1977: March, 131-136
- seizures and, 1977: March, 52-53
- Hypomagnesemia, neonatal, 1977: March, 136-140
- seizures and, 1977: March, 60
- Hypospadias, neonatal, 1978: March, 174
- Hypoxia, 1978: Sept., 275-277

- Transcutaneous oxygen measurement, in evaluation of drug effects, 1979: March, 109-121
- Transfusion, exchange, in hyperbilirubinemia, 1977: Sept., 314-315
in neonatal DIC, 1977: Sept., 276-277
- Transillumination of infant's head, in neurologic examination, 1977: March, 33
- Trimethadione, teratogenicity of, 1979: Sept., 411
- Triparanol, teratogenic nature of, 1979: Sept., 206
- Tumors, in neonates, 1978: March, 115-133
- Twins, low birth weight and, 1977: Sept., 228-230
- UMBILICAL cord, clamping of, 1977: Sept., 232-233
- Ultrasonography, as adjunct to amniocentesis, 1979: Sept., 248
in diagnosis of fetal structural abnormalities, 1979: Sept., 294-317
- Urogenital defects, timing of development, 1979: Sept., 214
- VACCINES, rubella, 1979: Sept., 351-352
- Varicella-zoster infection, congenital, 1979: Sept., 337-341
- Ventilation, assisted, in idiopathic respiratory distress syndrome, 1978: Sept., 395-409
mechanical, follow-up studies in survivors, 1978: Sept., 451-461
in hyaline membrane disease, 1978: Sept., 308-311
- Virus. See under specific type.
- Vision, neonatal, 1977: March, 163-165
- Vitamin E deficiency, in premature infants, 1977: Sept., 252-253
- Vitamin K deficiency, neonatal, 1977: Sept., 291-293
- Vitamin requirements in premature newborns, 1975: March, 191-192; 1977: Sept., 381
- WARFARIN, teratogenicity of, 1979: Sept., 410
- Water, requirements in very low birth weight infants, 1977: Sept., 378; 1979: March, 141-146
retention and excretion of, drugs causing, 1979: March, 78
- Weight, low birth, symposium on, 1977: Sept., 213-430
- 'Wilms' tumor, neonatal, 1978: March, 130
- Withdrawal syndrome, neonatal seizures and, 1977: March, 55
- XANTHINES, methylated. See *Methylxanthines*.
